Expanding Horizons

At one time or another, all college students will ask the questions, "What am I doing here? Where am I going? What is my purpose? Is college supposed to be four years of social life? What is a college education?"

We all know that college is supposed to be our preparation for the world outside. Campus social life should help to make us well-rounded citizens—but why?

In the following pages, we shall illustrate, by example, what Western Montana College has done for others, and what it can do for you. What you make of this opportunity is up to you. *You* must expand your own horizons.

Dedication

MISS GEORGIA MATHEWS

Miss Georgia Mathews, Dean of Women at Western Montana College for many years, ended a long and dedicated career with her retirement this year. As Dean of Women, Miss Mathews gave generously of her time and effort to provide a home away-from-home for the women of the Residence Hall. Students and alumni will always remember Miss Mathews for her interest and helpful advice during their college years.

We, the *Chinook* Staff, respectfully and gratefully dedicate the 1966 yearbook to Miss Georgia Mathews.

I am a part of all that I have met.

TENNYSON

In Memoriam

We, the *Chinook* Staff of 1966, dedicate this page to the memory of a friend and fellow student, Johnny Quick, who lost his life in an automobile accident during the winter of 1966. He was the son of Mr. Boyd Quick of Dillon and had attended Beaverhead High School before entering Western Montana College in the fall of 1965.

I will lift up mine eyes unto the hills, from whence cometh my help.
My help cometh from the Lord, which made heaven and earth.
He will not suffer thy foot to be moved; He that keepeth thee will not
slumber.
Behold, He that keepeth Israel shall neither slumber nor sleep.
The Lord is thy keeper: the Lord is thy shade upon thy right hand.
The sun shall not smite thee by day, nor the moon by night.
The Lord shall preserve thee from all evil: He shall preserve thy
soul.
The Lord shall preserve thy going out and thy coming in from this time
forth, and even for evermore.

PSALM 121

The College Song

Music by Ralph McFadden

Words by Vivian Robe

"WESTERN COLLEGE, HERE'S TO YOU"

Thy towers stretching upward

Guide us on our way:

Thy green lawns rolling outward

Hold us throughout the day.

Each memory brings a thrill

Of golden days upon the hill,

Of Montana's fairest valley,

Where our hearts must always rally.

Western College, here's to you,

For to you we'll all be true.

Though we're far away at work or play

We shall keep our colors flying still for
you.

So onward through the years we go,

And no one dares to tell us no,

For we're bringing to fame, that dear old
name—

Western College, here's to you.

PRESIDENT JAMES E. SHORT

President's Message

It is a privilege to be a part of this 1966 *Chinook*. Within its pages lies a partial history of one year in the life of an institution (in reality the first year as Western Montana College). Personnel come and go—History goes on—Western goes on—time goes on. A steady stream of graduates goes out to take positions as effective, productive members of society. As you look back on the year 1965-66 this *Chinook* will provide you a firm link and reminder of this year to correct the frailties of memory. May your memories be predominantly pleasant.

The Sadie Hawkins Dance is an annual girl-ask-boy dance sponsored by WRA. The members of WRA are kept busy selling tickets and decorating for this exciting occasion. Costumes were unique, and the choice of trophy winners was a difficult task.

One of the highlights of the Christmas Season is the Annual Christmas Ball which is sponsored by the Sophomore Class. The theme of the 1965 Christmas Ball was Santa's Toy Shop.

As Christmas neared, Mrs. Paddock and the girls in the dorm were busy making decorations to give the Womens' Residence Hall a Christmas atmosphere.

Annual Faculty Christmas Dinner

Western's Faculty Women's Club held its annual Christmas dinner in the dining room. Musical selections and Christmas carols constituted the entertainment for the evening.

SAGA student workers served the faculty and helped to make the evening enjoyable.

Mrs. Mann, Mrs. Gilliard, Mr. Wright, and Miss Brychta, socialize in the lobby of the Women's Residence Hall before dinner.

Go Western Day

WMC held its annual Go Western Day festivities on January 24, 1966. The day's events included the wearing and judging of western costumes, the annual rivalry basketball game with Eastern Montana College, and a dance sponsored by the Rodeo Club. All day the campus was teeming with students and faculty members wearing western apparel, a tradition in recognition of Go Western Day.

The winners of the various awards were Bob Nau, longest beard; Joe Holt, trimmest beard; Jocko Gehring, bushiest beard; Loretta Stacy, unique girls' costume; Sam Windy Boy, unique boys' costume; Carol Askey, best-dressed cowgirl; Shawn Davis, best-dressed cowboy; Mr. Stish, best-dressed faculty member; Patty Emmett, best old-time costume; Keith Ann Hart, tightest pants; and Mr. Tash, meanest professor. Honorable mention goes to Bob "Sinbad" Rowling for his attempt at wearing Western written across his face in whiskers.

Half-time entertainment for the annual Western-Eastern basketball game was provided by the Westernettes, Western's Drill Team.

This lineup of dudes, drug-store cowboys, and other characters reminiscent of the Old West was characteristic of the WMC campus scene on Go Western Day.

Dedication of a memorial book shelf to Mr. O. K. Moe, a teacher at Western for many years, was held in the library, July 14, 1965. Mr. Dale Tash presided, and Mr. Ralph McFadden was the speaker. Mrs. Edna Moe, widow of Mr. Moe, has presented to the general collection of the library several books on Western History.

The library, under the able supervision of Miss Dorothy Gelhaus, provides a studious atmosphere for those students who find it difficult to study in the dorms.

Miss Mathews Honored by Surprise Party

Miss Georgia Mathews was special guest at a dinner given in her honor by the faculty and local board members of Western Montana College on December 3, 1965. Mr. Dale Tash was master of ceremonies. Dr. Short presented, on behalf of the faculty members, Miss Mathews with a gift of an amethyst ring which was given in appreciation of her long and loyal efforts of service to WMC.

KZN Winter Formal

Judy and Melva greet happy couples as they enter the land of the Sweetheart Tree for an evening of dancing.

The annual KZN Winter Formal was held February 12, 1966. The theme was "The Sweetheart Tree" with music furnished by the "El Matadors" of Bozeman. This year the dance was a tremendous success, and many of the couples attended the smorgasbord sponsored by KZN following the dance.

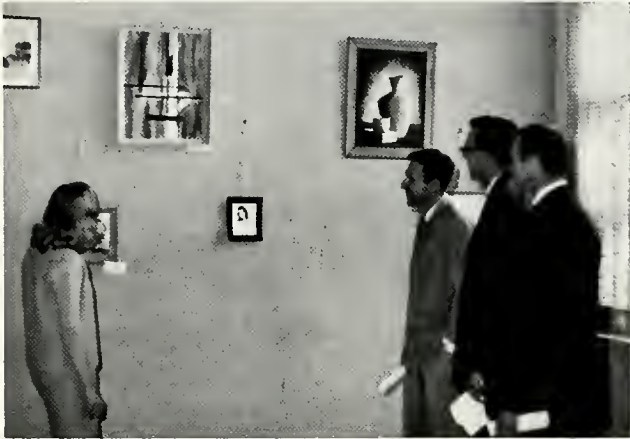

The couples at the Formal were entertained by the very enjoyable voices of Julie Dickinson and Paul Stahl singing "Wanting You" and "The Sweetheart Tree."

Art Exhibit

An open class art exhibit was presented by students of WMC, students of Beaverhead County High School, and several townspeople on January 18, 19, and 20.

Included in the exhibit were paintings, sketches, water colors, sculptures, pen and ink drawings, photography, and free-form ceramics.

GARY DAVIS

MARION HEWITT

LOUISE MORROW

Sixteen Seniors were chosen to represent Western in the current edition of Who's Who in American Colleges and Universities. These students were chosen by the Scholarship and Awards Committee on the basis of demonstrated ability and leadership.

Betty attended Beaverhead County High School and came to Western in the fall of 1962. She has been rated very high scholastically throughout her years at Western. Among her awards are the Wayne Montgomery Sr. Memorial Scholarship and two Advanced Honor scholarships. She is a member of KZN and has served as secretary of Drum Corps.

Jill, another BCHS graduate, began attending Western Winter Quarter of 1963 after transferring from St. Patrick's School of Nursing in Missoula. Her activities include KZN, Westernettes, and *Chinook* staff. She has served as junior class treasurer and this year Student Body Vice-President.

Gary is known for his work in the physical education department, primarily for his role as a part-time instructor in gymnastics and swimming. Having had extensive recreation experience, he was hired on a partial scholarship in the fall of 1962 to expand the range of WMC's educational offerings. Gary was elected class president as a junior and has been in several campus dramatic productions.

As Student Body President and *Wescolite* co-editor for the 1965-66 school year, Bill has done an effective job of leading and co-ordinating school activities in an orderly and progressive manner. Boundless energy and unquestioned ability have enabled him to compile an envious record both in and out of the classroom.

A member of M Club, Chanticleers, and Matrix, Bill was student body vice-president last year and also editor of the 1965 *Chinook*.

Marion has been active throughout her college years as a member of Westernettes, WRA, Pep Club, PEMM Club, and WRA Executive Board. Her greatest contributions to Western, however, have been her vitality, wit, and charm as displayed through her role as WMC cheerleader the past three years. Marion came to Western in 1962 from Victor.

Paul has been active in student government throughout his stay at WMC. A Student Affairs Board member for two years and chairman of the Interclub Council, he currently presides over both SEA and Drum Corps, as well as serving the position of Co-Social Director. Active in dramatics, Paul played outstanding roles in the musicals "My Fair Lady" and "A Funny Thing Happened on the Way to the Forum."

Louise came to Western as a graduate of Conrad High School and has taken part in many campus activities. She has been active in Young Democrats, Pep Club, PEMM Club, WRA, Westernettes, SEA, KZN, and on the *Chinook* Staff. Her name has frequently appeared on the honor roll, for which she captured an Advanced Honor scholarship for this year.

Danny transferred to Western in the fall of 1963 from the then Montana School of Mines. During his stay here he has been active in the Drum Corps, SEA, Young Democrats, *Chinook* staff, and chorus. A member of the Recreation Committee last year, he also received an Advanced Honor scholarship for scholastic achievement.

KZN is the oldest and one of the most respected organizations on our campus. Our goal is to further social relationships here at Western. Our colors are pink and grey, and our flower is the American beauty rose.

To become eligible for membership a girl must have been enrolled at Western for two successive quarters and must maintain a cumulative grade point average of 2.65. The three colorful days of their initiation each Fall and Spring are enjoyed by all.

The main activity for the year is the KZN formal. This year's theme was the "Sweetheart Tree." We also sponsor a service project each year for a worthy cause.

The Student Education Association is an organization for future teachers, so that they may further their knowledge about the teaching profession.

"P.H.T." (Putting Hubby Through) is the familiar motto of the Student Wives. The Student Wives is an off-campus organization composed of the women whose husbands are attending Western. Their annual carnival was a success and very enjoyable.

Women's House Council

The House Council was reorganized this year to make it a smaller, more workable group to perform the function of representative government for the girls' dormitory. It is now composed of four representatives of each class. The group has been responsible for making rules concerning dorm hours and disciplinary actions. In this group problems arising in the dorm are discussed and remedies suggested. Dormitory social functions are also planned by this group.

This year four girls were sent to the Montana Associated Women Students Convention in Missoula. They were interested in obtaining information concerning the Associated Women Students with the idea of bringing the AWS to this campus. It is hoped that by organizing AWS more girls not living in the dorm could be included in campus activities.

Rodeo Club

The Western Montana College Rodeo Club is a part of the National Intercollegiate Rodeo Association. Rodeo is now a college sport on most western campuses. The national finals is a major event each summer. Western has had many outstanding teams. Former star Shawn Davis is now R.C.A. World Saddle Bronc Champion.

Indian Club

The Aho Indian Club is open to everyone, Indian or Non-Indian, interested in Indian culture and affairs. It is the orientation and home unit for Indian students on the campus. The basketball team won the big Northwestern Intertribal Tournament held at Warm Springs Agency, Oregon.

Drum Corps

The Drum Corps has been quite an active organization in previous years, but their activities were halted this year because of one problem—no equipment. Later in the year the group was able to arrange the purchase of their equipment, so some interest has now been revived. Under the direction of Paul Kuecks, the Drum Corps continues to work out routines, although they have still remained inactive. The Drum Corps deserves a great deal of credit for continuing to march on over these difficulties.

Freshman Stunt Night

Familiar Faces and Well-Known Places

Mr. Slack at his daily routine of collecting mail for the boys' dormitories.

Norm Banks and part of his crew making adjustments, just a small part of their job on campus.

John Malesich and Mrs. Arvish are familiar faces in the girls' dorm. Without their cleaning efforts, the dorm would not be a fit place for living.

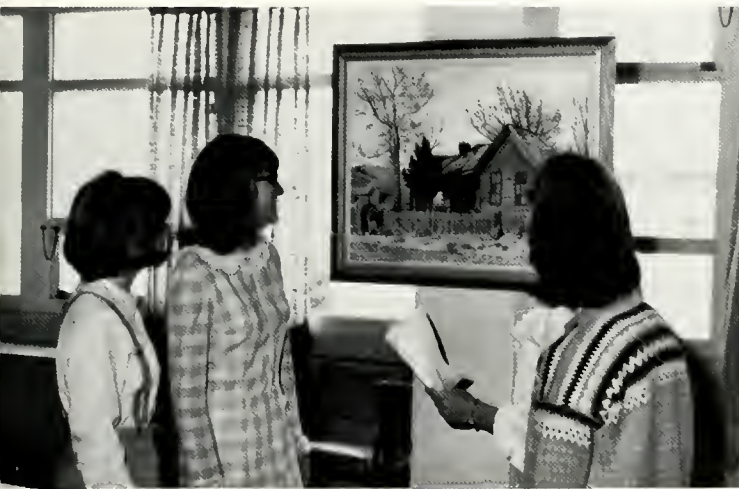

Four of the back-stage works for Saga Foods. Without these diligent cooks, students would starve.

Expanding Horizons

You must expand your own horizons. We present this concept to you now for the last time before closing the covers of this book. What have you done during your time at Western to prepare yourself for the future? Have you attempted to establish a balance between your academic or technical course work and your extra-curricular activities? Some of you have successfully prepared yourselves for the future; to those of you still traveling the road to success, we ask: are you on the right trail? Are you satisfied with your accomplishments? Do you have purpose and reason for your actions? Besides having Western do something for you, have you done something for Western?

The past school year at Western Montana College is now just a memory in the minds of those who experienced its joys, accomplishments, education, and friendships. Amateur historians that we are, we hope we have helped you to preserve your memories of this year, and we also hope that we have helped YOU to EXPAND YOUR HORIZONS!

TRIUMPHS FOR EDUCATION

Every amazing American accomplishment in space is a magnificent triumph for our educational system and we all can rejoice in it.

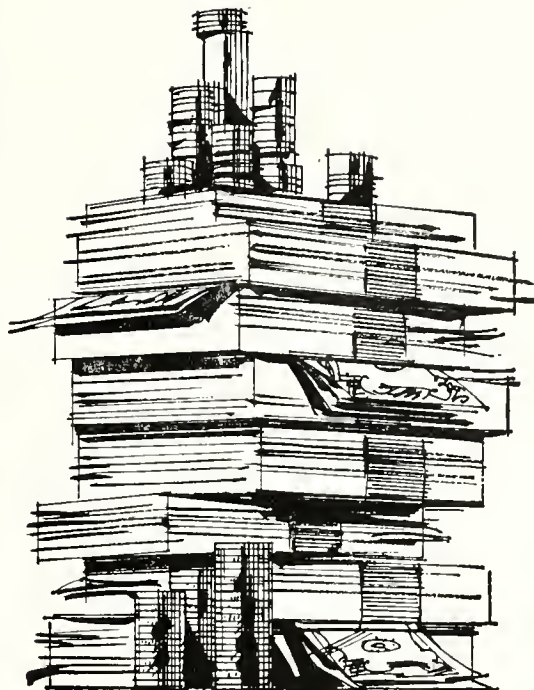

Each splendid space success, contributing to American scientific progress, to civilization's technological advancement, emphasizes the value of education.

But, let us not forget, while impressed by space spectacles, education's other significant values. For one, it accelerates our economic growth, another triumph.

Without this growth, which is propelled by vigorous, progressive industry, our space efforts couldn't get off the launching pad. Education, working in the free enterprise system, plays a major part in improving our standard of living and providing benefits for mankind.

THE ANACONDA COMPANY

Whose Metals Contribute To Our
Sound Economy and to Adventures In Space

Cost to educate: \$5,885!

The cost of educating one Montana child has more than doubled in the last 15 years. Today it costs \$5,885 to send one child from the first grade through public high school.

Where does the money come from? From taxes—both individual and business taxes.

Of the \$4,949,189 in property taxes paid by the Montana Power Company in 1964, about \$3,000,000 went directly into education.

That's enough money to educate 6,300 children for a full school year. Or it would build 115 classrooms (\$25,000 per classroom), or buy 750,000 textbooks or pay the salaries of 580 teachers for a full year.

None of our tax money is more wisely invested. For it helps to stimulate and enlighten the minds of our young people.

In your hands rests the future of our state.
